#### JIM IS DEAD

Mr and Mrs. Phillips were greatly shocked over the death of their black cat, which occurred on Easter. Jim, as he was called, had been a member of the family for ten years, and was the best rat-trap that ever saw this Tick country. He was given a decent burial in the Phillips cemetery. While Jim was not known to belong to any religious or fraternal organizations, it is believed that he has gone where all good cats go. Jim made friends with everybody he met. His only enemies were rats and mice, they never could be friendly toward each other. While he was very fond of both rats and mice, they never did like him. Jim will be greatly missed by the rat family.

A good Hitch-stall for only ten cents, can be found just opposite the jail. Your horse will have attention in my stable.

#### PROFESSOR HASKINS.

WAS A kindly soul.  
BRIGHT ON some subjects.  
BUT SO absent-minded.  
THAT ONE day at the barber's.  
HE TOOK off his collar.  
TO GET shaved.  
AND FORGOT where he was.  
AND KEPT right on.  
TILL THE cash-girl screamed.  
AND A barber stopped him.  
HE WAS a great smoker.  
BUT HE'D often put.  
THE BURNT match in his mouth.  
AND THROW away.  
THE CIGARETTE.  
HIS STUDENTS loved him.  
HE WAS so full.  
OF FUNNY surprises.

ONE DAY he had a tube.  
OF RADIUM and he told.  
THE STUDENTS all about it,  
AND FINALLY, by mistake.  
INSTEAD OF the tube.  
HE PULLED out one.  
OF HIS cigarettes.  
AND ASKED the class.  
"WHAT IS the one thing.  
WHICH DISTINGUISHES.  
THIS MARVELOUS substance.  
FROM ALL others on earth?"  
AND THE class roared.  
"THEY SATISFY."

WHAT is it you've always wanted a cigarette to do? You know the answer. Chesterfields do it—they not only please your taste, they satisfy! It's all in the blend—a secret blend of fine Turkish and Domestic tobaccos. It puts Chesterfields where none can touch them for quality and value.
